BINGO SYMPHONY ORCHESTRA

OVERVIEW:

Bingo Symphony Orchestra is a group of accomplished musicians who excel in various musical styles, including jazz, rock, underground, and classical music. Through their artistic collaboration, they create a seamless fusion of these diverse genres, offering a distinctive and captivating experience for audiences.

MODERN INTERPRETATIONS:

The ensemble showcases innovative and thoughtful reinterpretations of iconic compositions, demonstrating the versatility and interplay of different musical styles. Their performances provide a fresh perspective on timeless masterpieces, encouraging audiences to appreciate the nuances and complexities of these blended genres.

OBJECTIVE:

The primary aim of the band is to create a unique musical experience that educates, inspires, and entertains listeners. By merging the boundaries between distinct musical genres, they contribute to the evolving landscape of contemporary music and cultivate a deeper understanding and appreciation for the rich tapestry of sounds and traditions.

STYLE

Classical underground, Jazz, Rock, Classical Crossover

THE BINGO PROJECT

Bingo Symphony Orchestra created the music for the contemporary ballet "The Bingo Project" featuring the band playing live together with a modern ballet ensemble.

The performance is set in an undefined future bearing the consequences of today's global warming and bureaucracy, The story unfolds in a Bingo hall, where various comedic situations, rivalries, and passions take center stage. The show features a diverse range of music, including modern arrangements of classical pieces and original compositions.

MISSION:

The band aim to express their admiration for ballet and classical music while conveying humanistic messages to the audience. This innovative production serves as a tribute to the timeless power of the arts and their ability to inspire, educate, and entertain.

THE BALLET MELEE

"The Ballet Melee," is a film inspired by the ballet "The Bingo Project". An exploration of pressing themes, including bureaucracy, culture, and human resilience. The movie provides a thought-provoking reflection on contemporary societal concerns.

At its core, "The Ballet Melee" highlights the significance of culture and creativity in challenging times. Through its engaging narrative, the film demonstrates the transformative power of art and the human spirit's ability to rise above adversity. As the story unfolds, viewers are reminded of the importance of unity, determination, and the potential for change.

With a compelling storyline that speaks to the heart, "The Ballet Melee" is sure to spark conversations about the role of culture and community in shaping our future.

ALBUMS:

"**The Second Album**" is an innovative and mesmerizing fusion of classical music, jazz, rock, and electronics. Pieces from composers like Handel and Mussorgsky are combined with contemporary-sounding original compositions. The virtuoso instrumental parts create a spellbinding musical journey that transcends traditional boundaries.

"**Your Call**" consists of three connected pieces. This thought-provoking track explores the commercialization and corporate take on sensitive topics, such as suicide. The lyrics take the listener through an unsettling journey, highlighting the darker aspects of society and how impersonal and detached our approach to serious issues can be.

"**The Ballet Melee**" soundtrack is a rich musical tapestry that combines elements of modern and classical compositions, featuring creative interpretations of the works of Shostakovich, Prokofiev, Tchaikovsky, Mussorgsky, Wagner and Khachaturyan, as well as original tracks.
